

Tivetshall Village Hall Management Committee

Report to Parish Council meeting – 15 July 2021

TTJ (Tivetshall Tea Junction) **Pop Up Café** is ongoing 1st and 3rd Wednesdays of each month.

Very busy with majority of customers seated outside. Great to see new faces. Crafters have asked to be present on 3rd Wednesday as well as 1st and we have agreed to this.

The impending kitchen refit commencing 26 July has meant we needed to clear space. The small meeting room will be used for the new units when they are delivered on 22nd July. Consequently we have cleared out all the books, CDs and DVDs. Those suitable for children have been donated to the school library. The remainder are being gradually dispersed to local charity shops. Most shops are fully stocked and only taking a limited number of donations.

The Line Dancing Group are meeting every Wednesday evening since June.

We have had a couple of daytime private hires.

16th September is scheduled for a Village Fun Day. 18 craft stalls already booked. Bouncy castle booking will be activated. FOTS being asked to organise family games.

27th November – Christmas Craft and Food Fayre – organisation underway.

Alyson Read
