We are very keen to hear from as many of you as we can so we can focus our policing around your concerns and issues where you live, work or visit.

If you would like to be a part of this meeting, to have a say about the policing in your area and to find out what your local policing team have been focussing on then please email us at the address below for a link to the meeting and joining instructions.

If you cannot make the meeting then please email the team your concerns or your thoughts on the priorities that we should concentrate on over the next 3 months.
